✿ **Crybaby Semi Permanent Mascara** (35mins)

Crybaby is the original and the best semi-permanent mascara, and you can tell it spent 3 years in development. A beautiful product, professionally applied, which coats the lashes making them thicker, longer and giving a gentle curl. This treatment takes just 30mins to apply and lasts for 2 weeks. Looks and feels like mascara, but without the smudges. Perfect for weddings, holidays or general wear. If you haven't tried it, I definitely recommend it!
